### Create a GovConnectIowa Logon

#### Are You a Bulk Filer?

Do you file returns for multiple clients by uploading a bulk file? \*

Yes	No
-----	----

A bulk filer files tax returns and payments for multiple clients at one time by uploading a file. The file you upload must follow the Department's approved file layout specifications to be accepted.

If you are a representative (tax professional, tax accountant, third party, or other) that manages online activities for one client at a time, you are not a bulk filer. You can gain access to your client's accounts in GovConnectIowa by requesting access to each of the existing accounts. After gaining access, you can file, pay, and manage a tax account on behalf of a client.

If you are logging in and only plan to renew Alcohol or Food Service Licenses, this does not apply.

You must have an active tax account or a tax return on file with the Iowa Department of Revenue before you can request access. Learn more about the tax types you can access using GovConnectIowa on the Department's website. You can also request access to your tax accounts after creating a logon.

If you are a representative (tax professional, tax accountant, third party, etc.) that manages tax accounts for multiple clients, you can request access to additional accounts when you log in to GovConnectIowa.

Other Party Access does not equal Third Party Authorization.

## Other Important Information:

- Access the most up-to-date version of this form at [tax.iowa.gov/forms](https://tax.iowa.gov/forms).
- If more than 3 representatives are to be included as Powers of Attorney(s), IA 2848-A form must be completed and included with the original IA 2848 form.

- Section 3 provides several categories of authorization for a representative to select. Other than employees of a business, government representatives, or successors of a very small estate, all others will require the inclusion of additional forms beyond the Representative Certification.

The Department will only accept Department approved forms. No substitutions allowed.

# Why was my third party form rejected?

Forms are primarily rejected due to authorized individuals not signing the forms.

Other Reasons for Rejection:

- Outdated versions of third party forms
- Forms signed and dated more than 6 months ago
- Electronic signatures are not accepted
- Representative provided an FEIN, not an individual ID (SSN, ITIN, IAN)
- If General or Durable POA is selected, additional documentation is required

# Iowa Account Number (IAN) 1/2

## What's an IAN?

- An IAN is used to aid in identifying the third party to the Department without using their SSN or other personal numbers.

## Who uses an IAN?

- The third party would use an IAN on any future third-party access forms or when contacting the department on behalf of whom they have been granted authority.

# Iowa Account Number (IAN) 2/2

What if I don't have an IAN?

- Submit the **Request an Iowa Account Number (IAN)** link on GovConnectIowa.

What if I forget my IAN?

An IAN is for third parties as an alternative to using their SSN.

# What if I have questions about federal taxes?

The Department cannot release federal tax information.

Taxpayers should contact the Internal Revenue Service for information regarding the release of federal tax information.
